REPORT ON **“VIVIDHTA ME EKTA KA UTSAB** **ABHIYAN”**

Location: Basundhara Teacher Training College (BTTC) Gate to Nearby Village

Participants: Students, faculty and local residents.

Date: 25-08-2022

National Unity Day

On August 25, 2022, Basundhara Teachers Training College organized a vibrant rally titled "Vividhta Mein Ekta Ka Utsav Abhiyan" to celebrate and promote unity in diversity. The rally, led by Principal Dr. Sheo Prakash Dwivedi, aimed to foster a sense of national integration and mutual respect among different communities. It witnessed enthusiastic participation from students, faculty members, and local residents, all coming together to emphasize the importance of unity amidst diversity. The primary objective of the rally was to celebrate India's rich cultural diversity and promote the idea of unity in diversity. It aimed to educate the community about the strength that comes from diverse cultural, linguistic, and religious backgrounds coexisting harmoniously. The rally also sought to highlight the role of education in nurturing a spirit of inclusiveness and respect for all.

Students and faculty during rally on 25-08-2022

The rally commenced from the main gate of Basundhara Teachers Training College and proceeded towards the nearby village. Participants carried colorful banners, flags, and placards with messages promoting unity, peace, and cultural harmony. The procession drew significant attention from local villagers, many of whom joined the rally, adding to the festive atmosphere. Principal Dr. Dwivedi led the rally with great enthusiasm. His opening address highlighted the significance of unity in diversity and the pivotal role educational institutions play in promoting this value. The college's faculty and students were actively involved in organizing and participating in the rally. Their dedication and spirited participation were instrumental in making the event a success. The rally saw participation from various members of the local community, including families and local leaders, all contributing to the vibrant and inclusive atmosphere.

Students interacting with villagers during awareness rally programme on 25-08-2022

Activities during the Rally:**Educational Interactions:**

Informative pamphlets and brochures highlighting the concept of unity in diversity were distributed among villagers. Information booths were set up where faculty members and students engaged with the community, discussing the importance of national integration and mutual respect.

Speeches :

At several key points during the rally, speeches were delivered by Dr. Dwivedi and other faculty members, emphasizing the theme of unity in diversity.

Community Engagement:

The rally encouraged active participation from the community, with villagers joining in the celebrations and sharing their thoughts on unity and diversity. Interactive sessions were held where community members discussed their cultural backgrounds and experiences, fostering a deeper understanding and appreciation of each other's heritage.

Students interacting with villagers during awareness rally programme on 25-08-2022

The rally had a profound impact on the community, promoting a strong message of unity in diversity. It succeeded in highlighting the importance of cultural harmony and mutual respect, encouraging the community to embrace and celebrate their differences. The event fostered a sense of national pride and solidarity, emphasizing that diversity is India's strength.

Students and faculty during rally event 25-08-2022

The "Vividhta Mein Ekta Ka Utsav Abhiyan" rally organized by Basundhara Teachers Training College was a resounding success. Under the leadership of Dr. Sheo Prakash Dwivedi, the rally not only celebrated India's rich cultural diversity but also reinforced the idea that unity is essential for national progress. The event underscored the role of education in promoting inclusiveness and mutual respect, contributing to a more harmonious and integrated society.

REPORT ON **JAL JEEVAN HARIYALI**

Date: February 28, 2023

**Location: Basundhara Teacher Training College (BTTC) Gate to Nearby
Village**

Participants: Students, faculty, and local residents.

Today on February 28, 2023, Basundhara Teachers Training College organized a rally to promote the "Jal Jeevan Hariyali" initiative, aimed at raising awareness about water conservation and environmental sustainability. The event was led by the college's faculty, Ranjana Singh, and witnessed active participation from students, faculty members, and local community residents. The rally was conducted to highlight the critical importance of water conservation and maintaining greenery. It sought to educate the community on sustainable practices that ensure the availability of clean water and the preservation of natural resources for future generations.

Students making awareness around villages for Save Water 28-02-2023

The rally started at the main gate of Basundhara Teachers Training College and made its way towards the nearby village. Participants carried banners and placards with messages advocating for water conservation and environmental sustainability. The vibrant procession drew the attention of local villagers, who were encouraged to join in and learn more about the cause. Principal Dr. Dwivedi led the rally, providing motivational speeches that underscored the significance of the "Jal Jeevan Hariyali" initiative. His leadership and passion for the cause were evident and inspiring. The faculty and students of Basundhara Teachers Training College were at the forefront of organizing the event. Their enthusiasm and commitment were crucial in making the rally impactful. The involvement of local villagers added strength to the rally, emphasizing community solidarity in addressing environmental issues.

Students making awareness around villages for Save Water 28-02-2023

- **Educational Interactions:** Throughout the rally, participants engaged with villagers, distributing informative leaflets about water conservation techniques, rainwater harvesting, and the benefits of planting trees.
- **Public Addresses:** At strategic points during the rally, brief speeches were delivered by Dr. Dwivedi and other faculty members, stressing the urgent need for sustainable practices and sharing practical tips for water conservation and greening efforts.

Students making awareness around villages for awareness rally 28-02-2023

The rally created a significant buzz in the community, prompting many villagers to take a more active role in water conservation and environmental preservation. The event also fostered a sense of collective responsibility and action towards creating a sustainable future. The "Jal Jeevan Hariyali" rally was a remarkable success, reflecting the dedication of Basundhara Teachers Training College to environmental causes. Under the leadership of Dr. Sheo Prakash Dwivedi, the college continues to make substantial contributions towards promoting sustainability and empowering the community to adopt eco-friendly practices.

REPORT ON EMBRYO TEST

Location: Basundhara Teacher Training College (BTTC) Gate to Nearby Village

Participants: Students, faculty and local residents.

Today on March 18, 2023, Basundhara Teacher Training College (BTTC) organized an impactful rally to raise awareness about embryo testing, its ethical considerations, and its implications. The rally, lead by the BTTC, aimed to educate the community on the significance of ethical practices in medical procedures and the importance of informed decision-making. The rally began at the BTTC gate and proceeded to the nearby village, with active participation from students, faculty members and local residents. The rally commenced at 10:00 AM from the BTTC gate. Participants assembled early, carrying banners, placards, and informational materials on embryo testing and ethical medical practices. Dr. Sheo Prakash Dwivedi, the Principal of BTTC, inaugurated the event with an enlightening speech that emphasized the importance of understanding the ethical dimensions of medical technologies and the role of education in promoting informed choices.

Students and faculty just before rally on March 18, 2023

Awareness March: Participants marched from the BTTC gate to the nearby village, chanting slogans such as "Ethical Testing, Informed Decisions" and "Respect Life, Respect Ethics." The march aimed to highlight the importance of ethical considerations in medical practices and the need for community awareness about embryo testing.

Students interacting with villagers during awareness rally programme on March 18, 2023

Distribution of Educational Materials: Volunteers distributed pamphlets and brochures containing information on embryo testing, its medical implications, ethical considerations, and the importance of informed consent. These materials also included resources for further reading and contact information for healthcare professionals.

Interactive Sessions: faculty members conducted interactive sessions with villagers, discussing topics such as the purpose of embryo testing, potential benefits and risks, ethical concerns, and the importance of seeking proper medical guidance. These sessions aimed to provide a balanced view and encourage informed decision-making.

Community Feedback: A feedback session was held where villagers shared their thoughts and concerns about embryo testing and medical ethics. This session provided valuable insights into the community's perceptions and helped identify areas where further education and support are needed.

Pledge for Ethical Practices: The rally concluded with a collective pledge taken by all participants and villagers to commit to promoting ethical medical practices and supporting informed decision-making in their community.

The Embryo Testing Awareness Rally concluded at 1:00 PM in the village, with a closing address by the Village Head. He expressed gratitude to the BTTC Health and Ethics Committee, Dr. Sheo Prakash Dwivedi, and all participants for their dedication and efforts in promoting awareness about embryo testing and ethical medical practices. The rally was a resounding success, significantly raising awareness about the importance of ethical considerations in medical procedures and encouraging informed decision-making.

Students and faculty during rally event March 18, 2023

The BTTC extends its heartfelt thanks to all participants and supporters for their dedication and enthusiasm. Special thanks to the local resident for their cooperation and support in making the event a success.

STUDENTS EXCHANGE PROGRAMME

Dated: 19-10-2022

Collaborative College: L.P. Shahi College of Education, Muzaffarpur

Student's Exchange Programme conduct between Basundhara Teachers' Training College, Muzaffarpur to L.P. Shahi College of Education, Muzaffarpur. 19/10/2020

Basundhara Teachers' Training College, Muzaffarpur, and L.P. Shahi College of Education, Muzaffarpur, embarked on a transformative journey of cultural exchange and academic collaboration through a meticulously planned student exchange programme. The primary objective of this initiative was to provide students from both institutions with a unique opportunity to broaden their horizons, deepen their understanding of different teaching methodologies, and foster cross-cultural appreciation.

L.P. Shahi College of Education, Muzaffarpur, Teacher Delivered Lecture to our Students' Through Students Exchange Programme. 19/10/2020

The programme commenced with a warm welcome extended to the visiting students from L.P. Shahi College of Education, Muzaffarpur. They were greeted with enthusiasm and hospitality, setting the tone for the days ahead.

L.P. Shahi College of Education, Muzaffarpur Faculty Taking Lecture through Students Exchange Programme . 19/10/2020

L.P. Shahi College of Education, Muzaffarpur Faculty Taking Lecture through Students Exchange Programme 19/10/2020

Over the course of the exchange programme, students actively participated in a variety of activities designed to facilitate meaningful interaction and learning. Classroom observations were a key component, allowing students to witness firsthand the teaching practices and pedagogical approaches employed at the host institution. This provided invaluable insights and inspired thought-provoking discussions among the participants.

Assistant Professor of L.P. Shahi College of Education, Muzaffarpur teach to Students' on Students Exchange Programme. 19/10/2020

In addition to classroom observations, workshops were conducted on topics of mutual interest, ranging from innovative teaching techniques to intercultural communication. These workshops provided a platform for students to exchange ideas, share best practices, and collaborate on projects, thereby enriching their learning experience.

Student's Exchange Programme conduct between Basundhara Teachers' Training College, Muzaffarpur to L.P. Shahi College of Education, Muzaffarpur. 19/10/2020

Furthermore, cultural immersion activities were organized to expose students to the rich cultural heritage of the host region. Visits to local landmarks, traditional performances, and culinary experiences served to deepen their appreciation for cultural diversity and foster friendships that transcended geographical boundaries.

Delivered Lecture to L.P. Shahi College of Education, Muzaffarpur Students' on Students Exchange Programme. 19/10/2020

Interactive sessions were another highlight of the programme, where students from both colleges engaged in lively discussions on various educational topics. These sessions encouraged dialogue, critical thinking, and reflection, empowering students to broaden their perspectives and embrace new ideas.

As the exchange programme drew to a close, it was evident that the experience had left a lasting impact on all participants. Friendships were forged, cultural barriers were overcome, and valuable lessons were learned. The bonds of collaboration and mutual respect established during this exchange will undoubtedly endure, paving the way for future partnerships and opportunities for growth.
